

Healthy Community Collaborative

The Healthy Community Collaborative (HCC) is a **rapid rehousing** program through My Health My Resources (MHMR) Tarrant. The goal is to assist participants experiencing homelessness with housing that they can maintain independently after program graduation. Participants must have the ability to work or gain income in a few months and move towards self-sufficiency. **Our goal is to assist participants for 6-9 months** with rental subsidy, mental health and housing case management, peer support services and community integration.

HEALTHY COMMUNITY COLLABORATIVE REFERRAL FORM:

The following is necessary when referring participants to the Healthy Community Collaborative housing program. You can provide completed forms to HCC staff or send to Evyn.Ellis@mhmrtc.org

1. Does the participant have a diagnosed mental illness?

Participant will need to have a doctor's note or a diagnosis of mental illness, or a verification of their mental health disability.

2. Is the participant literally homeless?

To be considered literally homeless they need to be staying at a homeless shelter, a campsite, vehicle or street site and will need documentation to prove homelessness. Documentation could be from a homeless shelter they are currently staying at or from a case manager that has witnessed them staying at a camp site, in a vehicle or sleeping on the street.

3. Does the participant have a copy of their social security card?

Participant must provide a copy.

4. Does the participant have a valid State ID card or driver's license?

Participant must produce a Driver's License or State ID card.
